certificate no. 0709892034

ISO / IEC 17025
ISO 9002

The HRD Certificates Department is BELAC accredited for the quality examination of polished diamonds under ref. N° 030-TEST.

This certificate is established in conformity with the "International Rules for Grading Polished Diamonds", approved by the World Federation of Diamond Bourses and the International Diamond Manufacturers Association at the May 1978 Congress (rev. ed. 1995), and may not be reproduced by any means whatsoever unless complete.

The stone in accordance with the above mentioned number has been identified as a natural gem diamond and has the following description:

shape	cushion
weight	5.35 ct
clarity grade	si2
fluorescence	nil
colour grade	white (H)
measurements	10.22 x 10.06 x 6.60 mm
proportions	
girdle	medium 4% faceted
culet	pointed
table width	58%
ct height	18.0%
pav. depth	42.5%
finish grade	very good

clarity grade

gemmologists

The characteristics of the above mentioned diamond have been established by scientific measurements and observations, carried out in the laboratory of the Diamond High Council

Red symbols refer to internal and green symbols to external characteristics.
The symbols do not exactly reflect the actual size of the characteristics.
The characteristics have been indicated in order to clarify the description and/or for further identification.
